

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

REGION 4
ATLANTA FEDERAL CENTER
61 FORSYTH STREET
ATLANTA, GEORGIA 30303-8960

MAR 25 2009

Myra C. Reece, Chief
Bureau of Air Quality
South Carolina Department of Health and
Environmental Control (SC DHEC)
2600 Bull Street
Columbia, South Carolina 29201

Dear Ms. Reece:

This letter is to confirm negotiated changes to your agency's annual Ambient Air Monitoring Network Plan (Network Plan) submitted in 2008. Upon further discussion with your staff, Mr. Robbie Brown and Mr. Thomas Flynn, the U.S. Environmental Protection Agency Region 4 (EPA) agrees on the following changes.

Monitoring Network Changes Requested by SC DHEC

Page 10 of your Network Plan, submitted in 2008, listed several recommended and/or planned changes to your ambient air monitoring network. The following changes to your Monitoring Network Plan submitted in 2008 are authorized:

These four sites are eligible to be shutdown dependent on the establishment of new sites and the data comparisons. Until such time as the required information can be submitted to EPA, these sites must remain operational.

SITE ID	COUNTY	SITE NAME	PARAMETER
001-0001	Abbeville	Due West	O3
003-0003	Aiken	Jackson Middle	O3
077-0002	Pickens	Clemson CMS	O3
091-0006	York	York CMS	O3

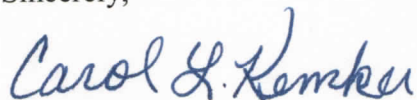

These next three sites may be shut down at the end of the 2009 calendar year monitoring season for each respective pollutant.

SITE ID	COUNTY	SITE NAME	PARAMETER
021-0002	Cherokee	Cowpens	O3
043-0006	Georgetown	G-town CMS	PM10
073-0001	Oconee	Longcreek	O3

However, before terminating the Cowpens ozone site, we encourage you to consult with the National Park Service.

Please make sure that whenever changes are made that the Air Quality System database is updated in order to maintain accurate data completeness calculations. If you have any questions or concerns, please contact Mr. Doug Neeley at (404) 562-9097 or Mr. Darren Palmer at (404) 562-9052.

Sincerely,

A handwritten signature in blue ink that reads "Carol L. Kemker". The signature is fluid and cursive, with the first letters of each word being capitalized and prominent.

Carol L. Kemker
Acting Director
Air, Pesticides & Toxics
Management Division
